## VARSITY SKI & SNOWBOARD PARENT GUIDE

### **SAFESPORT**

As a US Ski & Snowboard Podium Certified training center, we have adopted the SafeSport guidelines and mission to make athlete well-being the centerpiece of our programs. ASC coaches, staff, and volunteers who work directly with athletes are required to complete background screening and SafeSport certification. Information on SafeSport can be found at safesport.org.

### **OTHER PROGRAMS AT THE ASC TRAINING CENTER**

In addition to Varsity programs, ASC offers development and competition teams in Alpine, Biathlon, Nordic, and Snowboard. Many Varsity athletes choose to add on additional gate training or join a devo/comp team. Varsity team dues are waived when an athlete joins a full ASC program (some exclusions apply). Please contact a Program Director for more information.

### **REFUNDS** (please see our full refund policy for more details)

- Requests for refunds must be submitted in writing.
- Only season-ending injuries qualify for refunds and may require a doctor's confirmation. Refunds are *not* granted for short term injuries, lack of interest, or non-participation.
- Boreal, Woodward, Squaw Valley, and Alpine Meadows season passes are not refunded through ASC. Refund requests must be submitted directly to the ski areas.
- *Special COVID-19 refund details apply for the 2020-2021 season.*
